

Fabulously Clean Terms and Conditions

Fabulously Clean, LLC. Is a locally owned and operated business. Our employees are fully bonded, insured and professionally trained. We pay all federal, state, local taxes, Social Security, Medicare and Workman's Comp.

Getting Your Home Ready

- Client agrees to have their home picked up of toys, clothing, dishes, etc., before the cleaning techs arrive, unless the client has signed up for our Stress Free Cleaning.
- Our cleaning technicians have a schedule they must adhere to in order to provide excellent service to all our clients, any additional requests need to be made prior to the date of the clients service.
- All guests in the client's home must be notified about our arrival and that we may need access to their space.
- The office must be notified if the client has guests or any unknown person in their home so that the techs won't be surprised if a stranger walks out of a room.
- The clients home will be cleaned between the hours of 8:00 am – 5:00 pm on the date of their scheduled cleaning. We do not schedule set appointment times as part of our services, we do try to stay within the 2-hour arrival time range given.

Preparing Children and Pets

- For safety reasons, please see that children are supervised while the techs are cleaning your home.
- We love our animals, however, if they are aggressive, we ask that the client have them crated, in a room that the techs are not cleaning or outside when we arrive. Fabulously Clean LLC and its staff reserves the right to leave the premises if a pet exhibits aggressive behavior and the client will be charged the full price of their cleaning. Fabulously Clean LLC will not be held responsible for the behavior of any pet(s) while the cleaning service is being performed. The client is responsible for any medical costs as a result of any aggressive behavior from a pet.

Accessing Your Home

- Please ensure the tech has access to your home. The majority of our clients give us a garage code or leave a hide-a-key outside. To avoid a Lock Out Fee the client is responsible for ensuring that the tech has access to their home.
- **Garage Codes: we prefer having a garage code. Please be aware that in extreme cold sometimes the garage door keypad might not work. If this happens and the cleaning tech cannot get a hold of the client for an alternate access point the client will be charged 100% of their cleaning as a lock out fee.**
- If the client does not want to provide a garage code we do have lock boxes for purchase. The cleaning tech will bring it to the clients first cleaning and the client will be billed a 1 time fee

of \$30.

- If Fabulously Clean is unable to access your home, the client will be charged a non – refundable fee of 100% of quoted cleaning price. This cost is to cover the cleaning tech's lost wages plus the lock out fee to cover the time the cleaning tech waited for the client.
- If the client has an alarm system, the alarm code will need to be provided along with written instructions on how to operate it or turn off the alarm system before our arrival.

Estimate/Quotes

- Estimates are given based on the information provided by the client. Should the tech get to the house and the conditions are cleaner or dirtier than indicated Fabulously Clean LLC reserves the right to adjust the quote.

Skip/Modify Work Order

- The cleaning technician and maintaining the clients home are very important to us. The techs depend on the client to be able to pay their bills, and we pride ourselves in the maintenance of the clients home. When scheduled cleans are skipped, the techs miss out on their pay and the maintenance of the clients home cannot be guaranteed.
- **Going On Vacation?** Instead of skipping, have the tech do some deep clean work (hand wiping baseboards, doors/frames, kitchen and bathroom cabinets, or cleaning the inside of the clients fridge/oven, cleaning under all the sinks) There are so many things the techs can do to ensure the clients home is well maintained throughout the year.
- **Sick?** We can reschedule without any additional charge.
- **Late Skip/Cancel Fee.** In the case that the client cancels/skips with less than **2 business days** the client understands that they will be responsible for a 50% Skip/Cancel fee. This will go to cover the cleaning tech's lost wages. In the case that the client cancels/skips with less than **1 business day** Fabulously Clean LLC reserves the right to charge the client a Skip Fee of 100% of the regular cleaning cost. There are no exceptions.
 - **We will accommodate 2 skips per year if notified more than 2 business days in advance without affecting your price.**
 - If you skip more than twice in a year your next visit will be charged at higher frequency rate (the adjustment in price is only for that one visit):
 - Weekly to biweekly: +\$25
 - Biweekly to 4 weeks: +\$45
 - 4 weeks+: +\$65
 - If services are skipped more than 8 weeks the home would need a deep clean to continue recurring services. Pausing services for extended periods when the house is vacant does not apply to this policy.
- If clients are absent from the schedule longer than 30 days, Fabulously Clean LLC reserves the right to charge by the hour for the first clean and to review and or modify the service rate to make necessary changes.

Lock Out Policy

- In the event that the tech arrives within the scheduled arrival window and cannot get into the client's home, and the tech has to wait for the office to try to get ahold of the client, we will be charging an extra \$30. This will go to cover the time that your cleaner has had to wait. The tech will wait for 15 minutes only, if the client is unable to be reached the client will be charged for the full service of the clean.

Paying for Services

- We accept Visa/Mastercard, AMEX, Discover and ACH. We do not accept cash or checks.
